

SAFETY COUNCIL

The MTA Safety Council is the only Minnesota organization dedicated to advancing safe policies, practices, technology, effective risk management and accident/injury prevention in the trucking industry. These meetings will take place in-person at the Doubletree in Roseville, MN, but may also be attended virtually via Zoom.

An MTA fleet Safety Council Membership is different than your company MTA Membership. You can purchase an individual membership OR an all-team access pass. Additionally individual meetings can be purchased as well throughout the program year.

Don't forget to save the date for the 2025 MTA Safety Conference on January 21, 2025 at Vadnais Heights Commons.

- 9/10/24** OSHA is at YOUR door! Are you ready for an audit?
- 10/15/24** Driver Safety Series: Managing driver stress and performance
